INTRODUCTION

Welcome to the Long Island Dental Hygienists' Association newsletter. LIDHA has developed a newsletter in an effort to keep our members informed of:

- New initiatives and legislation within the profession
- Continuing education course offerings
- Conferences and events
- Current issues and trends in dental hygiene
- Our **NEW** mix and mingle member "social" events

DID YOU KNOW...

- ✓ The New York State dental hygiene professional association has a new name, colors and logo!
- ✓ The Dental Hygienists' Association of the State of New York (DHASNY) is now called the New York Dental Hygienists' Association (NYDHA). View their newly designed website at nydha.org.
- ✓ LIDHA is offering its annual free member CE breakfast on Sunday **July 1st**. LIDHA board elections will be held at this meeting.
- ✓ Did you know you can run for a delegate and/or certain board positions? Go to LIDHA.org for additional information on available board positions, duties and responsibilities.
- ✓ Do you like to paint? Enjoy barbeques? Would you be interested in a psychic reading? LIDHA is in the midst of organizing a few social events throughout the year. This is a great opportunity to mix and mingle with fellow dental hygienists in your community, relax and have a fun night out.
